Shindaiwa highly recommends Red Armor™ engine oil for carbon deposit removal and protection against future buildup. Visit [www.redarmoroil.com](http://www.redarmoroil.com) for more info

**M254**

Shindaiwa's Hybrid 4® Engine Technology blends the finest features of two-stroke and four-stroke technology. Hybrid 4 products offer:

- Environment-friendly low emissions levels
- Higher torque to the lower end for more power
- Fuel economy using 10 - 25% less fuel than equivalent two-stroke engines
- A low tone sound
- Reduced starting effort with built-in decompression
- Longer engine life due to dual-stage air filtration
